"In this day and age, we are all aware that paradise on earth does not exist. But the need for it is eternal, and can be playfully indulged in... Don Tiki is providing the soundtrack for this technicolor projection of a Polynesian pop paradise."

- Sven A. Kirsten, [bookoftiki.com](http://bookoftiki.com)

*Don Tiki's new collection of exotic and danceable tiki tunes is brimming with haunting melodies and sultry undulating rhythms. Special guest artists include Teresa Bright, Lopaka Colon, Jake Shimabukuro and Ben Vegas on 13 new hypnotic tracks.*
